

# Air Tool Kits

## Some of the Kit benefits:

- Customers' Convenience: The Air Tools Kits provide a total solution to our customers by including all items needed to attach a compressor to a paving breaker:
  - 60 or 90 lb IR Breaker (1-1/8" and 1-1/4")
  - 2 Steel Bits (Moil point & Chisel)
  - 3/4" Air Hose
  - 1 Pint Lubricator
  - Hard Rock Oil, 1 gal
  - OSHA Safety Check Valve
  - All Needed Fittings (couplings, washers, bushings)
  - Instructions, Tool Tips
- Priced Competitively
- Coded as accessories (commissionable)
- Sales count towards Parts Partners Program
- Kits Advertising decal will be affixed on tool boxes in major Portable Power compressor models to promote the new tool kits
