

Ingersoll Rand Wheel Locks

The new Ingersoll Rand wheel locks are designed to protect your investment and prevent equipment theft by completely immobilizing equipment wheel from turning or rotating.

Some of the Wheel Lock Features:

- Adjust to fit any wheel in just seconds
 - Compact, easy to use and store
 - Soft coated arms will not mark or scratch wheels and rims
- Hardened Steel Construction – resists cutting or sawing
- Lock is pick and drill resistant- cannot be frozen with Freon
 - 2 Year Replacement Warranty
 - Made in USA
 - Weather resistant
 - Price competitive
